FIFTY KILLED DURING RIOTS IN MOROCCO

Rabat, Morocco, (AP)—At least 53 persons, mostly Europeans, today were reported killed in Morocco in rioting touched off by France's seizure of five top Algerian rebels.

French and Moroccan armed patrols uncovered more and more burned and mutilated bodies in the city of Meknes where angry Arab nationalists struck yesterday.

Moroccan troops and French Legionnaires mounted guard in the European section of Meknes while the search went on in the native quarters for more bodies.

The actual cause of the rioting in Meknes appeared to be the accidental shot fired by a Moroccan trooper who wounded himself. The shot enraged demonstrators and the bloodshed was on.

French police reportedly threatened to stop working for the Moroccan government after four of their men were found slain.

Eight bodies of Europeans were found this morning near the Portuguese bridge on the main road to Rabat, 100 miles east of Meknes.

Meknes is a city of 150,000, more than 20,000 of them Europeans.

Rioting ended yesterday and authorities spent the night looking for bodies.

In Tunis, Morocco's Sultan Mohammed V glumly ordered a plane home. He and Tunisian leaders broke off talks interrupted when France seized the Algerian rebels.

Mindful of the ruse France used to capture the leaders of the Algerian rebellion, the Sultan's household made clear he would not travel in a French plane.

Teachers Conclude Sessions of 1956 County Institute

Two hundred Warren county teachers gathered in Beatty Junior High School Tuesday evening for the concluding sessions of their 1956 institute, started October 11-12.

Following final group sessions, a general session was held in the auditorium, with the conference summary given by Dr. Donald McGarey, of Pennsylvania State University.

Recorders presented brief reports of their individual discussion groups, for which the following were leaders and recorders respectively:

Citizenship education—John Binney and Fred Barr; health and recreation—Allen Tubbs and Marjorie Mortland; growth in areas of art and music—Albert Lyford and Richard Hiles; proper interpretation and use of test results and records, A through L—George Pettegrew and Jesse W. Lyon, M through Z—Mark Burgess and Edward J. Turchan.

Developing a scientific interest and attitude—Lillian Hunter and Edith York; ways of making arithmetic meaningful—Archie Hunter and John T. Marshall; creative ways of developing and maintaining pupil initiative, A through E—Richard Andersen and Marjorie Dorrison, F through N—Everett Landin and Pauline Norton, O through Z—Gerald Newton and Ellen Thoreson.

Grange Selects Farm Couple Of Year From Butler County

Erie, (AP)—Mr. and Mrs. Carl W. Cooper of the Worth Grange, Butler County, have been named the Farm Couple of the Year at the 84th annual session of the Pennsylvania State Grange.

The Coopers, parents of four children, were selected for their community activities, church leadership and efficient use of home and farm equipment.

Washington County won the Grange drill team title and Ella Jane Warner of the Indiana County Grange was presented the public speaking award.

Receiving the quartet prize was the North Sewickley Grange of Beaver County. The singing group was comprised of Charles and John

Ike Says Bomb Tests Must Continue for Sake of Peace; Adlai Scores U. S. Economy

Washington, (AP)—President Eisenhower said last night the United States could "suffer a serious military disadvantage" if it stopped its tests of nuclear weapons and then found that Russia was continuing hers.

Without naming his Democratic opponent Adlai E. Stevenson, Eisenhower said that one of Stevenson's contentions in the campaign debate over continued bomb testing "is based upon apparent unawareness of the facts."

Eisenhower issued his second formal reply to Stevenson's repeated calls for this nation to take the lead in working toward an end to hydrogen bomb testing.

While rejecting Stevenson's arguments, the President said he remains "profoundly hopeful" that a properly safeguarded system of world disarmament will come to pass. But until that comes, he declared:

"We must continue . . . to develop our strength in the most advanced weapons—for the sake of our own national safety, for the sake of all free nations, for the sake of peace itself . . ."

"There is nothing in postwar history to justify the belief that we should—or even that we could dare—accept anything less than sound safeguards and controls for any disarmament arrangements."

Crawford Co. Woman Receives Fatal Burns

Titusville, (AP)—Mrs. Otto Gilbert, 61, of Centerville, RD 1, was fatally burned yesterday by kerosene that exploded as she poured the fuel into a stove.

A hospital spokesman said the woman had been given transfusions and blood plasma and was being given a transfusion when she died. The spokesman said she had third degree burns all over her body except on a strip across her abdomen and her right foot.

County Coroner Dr. Sherman L. Watson of Meadville reported she died of burns of the entire body.

Mr. Gilbert, and his son said they believed she was holding the can up about chest-high to pour the kerosene when it somehow exploded and the bottom blew out, spreading the fluid over her.

They said the ceiling was smoked up by the explosion as well as the linoleum when the can dropped and the liquid flowed on the floor. No fire was started, however.

PUBLIC INVITED TO RALLY THIS EVENING

According to information received by local committee members the "Vets For Ike" Caravan, which will hold forth at a public rally at the court house this evening at eight o'clock, is coming from Franklin by automobile, while the huge plane in which the cast is traveling will fly from the Venango county seat to the Bradford airport.

Robert Lundberg, local chairman, said there will be representatives of four major veterans organizations in the party, along with Gene Raymond, star of stage and screen, and husband of Jeannette MacDonald. The public is cordially invited to attend. The program will include short speeches and a movie "Decisions for Tomorrow."

Krepps, Harold Douglas and Edward Scheffer.

Receiving prizes for community service were the Harmony Grange, Westover, Pa.; Hookstown Grange, Beaver County; Harmony Grange, Northampton County; and the Indiana County Grange.

H. A. Thompson, executive secretary of the Pennsylvania Association of Township Supervisors, addressed the grange meeting yesterday and said he is opposed to the Federal Highway Program and Federal subsidies for schools and roads.

Thompson said Pennsylvania has built so many roads and schools with its own funds that it will not receive as great a share of Federal subsidies as other states.

New York, (AP)—Adlai E. Stevenson said today the Eisenhower administration has "confused genuine friendship for business with snuggling intimacy toward a few of its giants."

"We Democrats . . . reject the idea of an America in which everyone is on the payroll of a few giant corporations," he declared in a speech prepared for a luncheon of businessmen supporters.

The Democratic presidential nominee contended, at the start of a 12-hour schedule of rallies in the city and surrounding counties, that because of Republican policies small business is being "squeezed by the growing giants, buffeted by the merger movement, strangled by high interest rates . . ."

Stevenson's shift to discussion of Republican economic actions came after a whip-cracking assault on President Eisenhower's foreign policies, and on Secretary of State Dulles and Vice President Nixon, before a cheering throng in Madison Square Garden last night.

The partisan, banner-waving crowd filled all seats affording a view of the speaker. Democratic leaders said 18,000 were on hand. Several hundred seats, blocked off by platform installations, remained empty. None were turned away as in 1952 when Stevenson spoke in the Garden.

Introducing Stevenson, Gov. Averell Harriman supported the nominee's proposal for ending hydrogen bomb tests. He said Eisenhower, in his opposition to the proposal, had "fallen into the Kremlin propaganda trap."

In the raucous atmosphere of an old-time political meeting updated for television, Stevenson took off the gloves.

He said Eisenhower showed "resentment" that he should be held accountable for actions of his administration.

When he called Nixon Eisenhower's "hand-picked heir" who had been "subjected to a remarkable process of face-lifting and hand-laundering," the crowd broke in with a thunderous "boo."

Stevenson suggested that Eisenhower was offering the country "a press agent's peace." He accused Dulles of "blundering vacillation" in the Middle East, contending it resulted in the Suez Canal crisis.

Kefauver Arrives In Detroit for a Day of Campaigning

Detroit, (AP)—Sen. Estes Kefauver said today the administration's economic policies have created an "illusion of prosperity" that has served only to "fatten the treasuries of the giant financial empires while the American people have been lagging behind."

Kefauver struck out at what he called Republican "stop-gap election eve prosperity" as he came to this auto manufacturing center for a full day of campaigning in the Detroit area.

The Democratic vice-presidential candidate's chartered plane arrived here early today from the Corn Belt, where in speeches yesterday at Waterloo and Mason City, Iowa, he drew cheers with attacks on what he called Republican "election bait" farm promises.

In a speech prepared for delivery before a luncheon audience of Detroit business and professional men, he assailed what he said were "misleading generalities" by GOP orators on the nation's economy.

BLOODMOBILE CHANGE

Warren County Red Cross Chapter calls attention to a change in locale for the next Bloodmobile visit, the equipment to be at chapter headquarters, 404 Market street, next Wednesday, October 31, instead of at Struthers Wells. The hours will be from 10:00 a. m. until 3:45 p. m. and it is hoped that all who can possibly do so will register as donors or drop in during the day.

CANDIDATES ARE STEPPING UP CAMPAIGNS

Washington, (AP)—The White House today announced plans for six campaign speeches by President Eisenhower next week, including talks in three of the four Southern states he carried in 1952.

The President will make three separate trips. They will take him into Florida, Virginia, Texas, Oklahoma, and Pennsylvania.

Eisenhower has scheduled six speeches during the three tours.

James C. Hagerly, presidential press secretary, emphasized that the President will return to Washington at the end of each day.

The President will do that, Hagerly said, primarily to keep in close touch with the "fast breaking developments in the Soviet satellite nations." That was a reference to the unrest in such countries as Poland and Hungary.

Washington, (AP)—Plans are under way for a final Republican push in Pennsylvania with prospects that President Eisenhower will speak in Philadelphia while Vice President Nixon is on a two-day campaign-train tour of the state.

The White House has said Eisenhower is considering a speech at a Republican rally at Convention Hall in Philadelphia Nov. 1. The speech would be telecast nationally.

Meanwhile, the Republican National Committee has drawn up tentative plans for Nixon to make a statewide television address at Pittsburgh the same night after (Turn to Page Eleven)

Decline in Highway Deaths Credited to New Penalty System

Harrisburg, (AP)—Gov. Leader today attributed a 4 per cent drop in Pennsylvania highway deaths during the last year to his administration's new system of penalizing offending motorists.

"We are very proud of the fact that, under this new system, Pennsylvania's total of highway deaths declined 4 per cent below last year's figure while the national average has risen 9 per cent above the total for 1955," Leader said.

The governor made the statement in the seventh of a series of reports on his administration's progress since taking office almost two years ago.

In his sixth report distributed yesterday, Leader predicted the Highway Department will need 2,300 more technical employees to carry on the new federal-state highway construction program.

"On the matter of engineering personnel," he said, "the situation not only in Pennsylvania but in every state in the union is critical."

The governor said the department is operating with about 3,000 technical workers and is advertising everywhere for skilled employees.

With the Candidates

Philadelphia, (AP)—U. S. Sen. James H. Duff said today that his Democratic opponent, Joseph S. Clark, if elected to the Senate, "will be the biggest roadblock north of the Mason-Dixon to the Eisenhower program."

"We know that he's against Eisenhower," said Duff who came here to share the platform with Clark tonight. "We know that he doesn't like anything that Eisenhower has done or wants to do for the country."

Before coming to Philadelphia, Duff said last night at Somerset that Clark "whipped" small businessmen in Philadelphia while he was mayor of that city.

"While Democrats in Congress gyped the small businessman out of a tax break in the last session," Duff said, "small businessmen in Philadelphia smarted under the whipping lashed out by Clark while he was mayor of that city."

Loans To Be Available Area Farmers Who Suffered Crop Losses Due to Heavy Rains

High School Dragonette Fresh Off the Press

Sue Sasserson, elected issue editor of the first two fall numbers of the Warren High School Dragonette, is to be commended for the six-page publication fresh off the presses.

Pictures, features, special columns, and the usual newsy articles about school activities combine to make a very readable issue.

Stories deal with organization of the Future Nurses of America; the complete Dragon staff; Student Council plans and suggestions; National Honor Society; elections for clubs and music groups; Thirty Years Ago; the Dragon grid activities to date; and a welcome to new faculty members and student newcomers.

Word has been received from Congressman Leon H. Gavin that loans will be available to area farmers who suffered severe crop losses due to the heavy rains of last summer.

Assisted Congressman Gavin: "The assistant secretary of agriculture has designated 16 counties in Western Pennsylvania in which the Farmers' Home Administration can make loans." This includes Warren, Venango, Clarion, Forest and Jefferson Counties in Gavin's 23rd Congressional District.

Acting supervisor of Warren County Agricultural Extension Service, Bernard Wingert, said after hearing the announcement that "Our department is all set up and ready to go with the procedures and forms necessary to obtain the aid for the farmers of this area."

The federal loans from Farmers Home Administration included Warren County as a distress area after a survey was made of poor crops in this area some three weeks ago. This showed that during the growing and harvesting season from May 1 to September 16, 1956, a total of 31.10 inches of rain fell, more than the average total of 28.65 inches which fell in the first eight months of the year for the past 40 years.

These damp conditions resulted in the following, according to the report submitted:

In 1954, 38,000 tons of hay were harvested. This year only an estimated 22,500 tons have been cut, with 60 per cent of the first crop put in barns. But only 20 per cent of hay now in barns could be considered high quality. Ninety per cent was water wet, much will mold in mow. Second growth is of high quality but cannot be cut due to wet conditions.

Also, water-logged fields have had future productivity damaged by use of heavy haying machines and trampling livestock grazing.

Only 20 per cent of the oat crop is estimated harvested, and that mostly of low quality. In 1954, 127,000 bu. were harvested. This year 50 per cent of normal acreage was never planted and a scant 50,000 bu. will be harvested. This creates a serious feed shortage and limits straw for bedding purposes.

Mother Arrives in London To Fight for Baby Girl

London, (AP)—Mrs. Elena Dieczok of Detroit arrived here today with a doll in her arms to wage a legal battle to prevent her baby daughter, Tanya Chwastov, from vanishing behind the Iron Curtain.

As the worried mother stepped from a plane at London airport she told reporters: "I hope and pray I shall see Tanya soon. The doll is a present for her. Its name is Nancy."

Caught in a custody battle between East and West, 2½-year-old Tanya has been made a ward of the British High Court pending a decision.

Mrs. Dieczok was met at the airport by a representative of the London law firm handling her case. She was accompanied by Dr. R. Norris Wilson, executive director of the American Church World Service.

Both Chwastov and Mrs. Dieczok were displaced persons. Mrs. Dieczok is now seeking U. S. citizenship.

Governor Says He Still Has an Open Mind on Tax Issue

Harrisburg, (AP)—Gov. Leader says he will be "tremendously influenced" by whatever recommendations his bipartisan tax study commission might make to the next General Assembly.

But, Leader emphasized last night, he is not going to "sign any blank check" when it comes to supporting the 14-member commission's recommendations on fiscal matters.

Leader made the statement on a television panel (WTPA) shortly after he urged both Democratic and Republican legislative candidates keep open minds on taxes until after the commission makes its report.

"I have an open mind on the tax picture as a whole. I'm not going to rock the boat on which this tax (Turn to Page Eleven)

Washington, (AP)—The State Department has been out of touch with the United States legation in riot-torn Budapest since late yesterday afternoon. Officials reported they were unsuccessful in efforts to establish telephone contact this morning. They said they did not know whether the failure to get a call through was due to some mechanical breakdown or to orders of Hungarian authorities.

In apparent gesture of appeasement to the rebels, Communist leaders had removed Andras Hegedus as premier and installed Nagy, who was purged in 1955. All through the night students, workers, off-duty soldiers and others shouted for Nagy as premier and demanded the expulsion of Soviet troops from Hungary. But when the Communist government gave in to the demands for Nagy, apparently the rebels were not to be appeased without some indication Russians would get out.

MANY PERSONS KILLED IN BLOODY BATTLES OUTSIDE THE PARLIAMENT BUILDING

Vienna, Austria, (AP)—Many hundreds of persons were reported killed in an anti-Russian, anti-Communist revolution gripping the Hungarian capital today. Soviet tanks and troops went into action and Communist machinegunners and warplanes waged a fierce battle against the rebels. Austrian travelers arriving tonight from Budapest said "many hundreds" had died. They reported Communist jet planes joined the Russian tanks and machinegunners to battle students and workers who defied a government ultimatum to surrender. Budapest radio announced the rebels defied the latest Hungarian ultimatum to surrender and the battle, which began with peaceful demonstrations last night, roared on into the night.

Direct telephonic communication with the city was cut off, but it was evident that casualties in the fighting were mounting by the score. A westerner who reached Warsaw after traveling from Budapest said 150 persons were reported to have been killed when Russian tanks were brought into fighting outside the Hungarian Parliament building.

Russian tanks by the dozen were reported rolling through the streets and firing on blazing buildings. Budapest radio reported "numerous soldiers, citizens and members of the security forces" were slain in wild, riotous fighting which burgeoned from peaceful demonstrations against Moscow last night. They revolted against the anti-Russian demonstrations in satellite Poland.

A Westerner who reached Warsaw from Budapest said 150 persons were killed as tanks fought the rebels outside the Hungarian Parliament buildings.

Budapest radio announced soldiers had captured a machinery plant where rebels held out for three hours. It appeared to wives and trade unions to dissuade men from joining the demonstrations.

Indicating the fighting still was raging "into this afternoon" in the city of more than a million, the new government of Premier Imre Nagy extended an ultimatum zero hour for surrender of the rebels.

Warsaw, (AP)—Authoritative Polish sources have accepted the idea of a free Poland and that the two countries will watch up their quarrel.

Khrushchev reportedly apologized for a bitter Soviet attack on the Polish press and called off Soviet military pressure that had been placed on the new Polish regime.

The Soviet Communist boss apparently yielded with only minor reservations to the demand of Poland's new leaders for socialism without Moscow domination.

Polish-Soviet relations immediately improved.

Authoritative sources said the Russian leader backed down completely from his demand that Moscow-picked men retain a voice in Poland's Communist leadership.

Nixon Is Making Whistle-Stop Tour Through Illinois

En Route With Nixon, in Illinois, (AP)—Vice President Nixon opens two days of intensive campaigning today seeking to nail down a state where Republicans are worried about effects of a scandal in the state administration.

The vice president whistle-stops clear across the state from south to north today, then leaves his train for a well-filled day in the Chicago area tomorrow.

He is understood to feel that the widely publicized embezzlement case involving former Republican State Auditor Orville E. Hodge has made uncertain otherwise rosy prospects for the GOP in the home state of Democratic presidential nominee Adlai E. Stevenson.

At South Bend, Ind., last night the vice president made a hard-hitting attack on Stevenson on the issue of ending H-bomb tests.

He charged that the Democratic nominee's proposal for halting the tests was the same that Russian Premier Bulganin advanced last Saturday in a letter to President Eisenhower.

Annual Veterans Day Dinner Will Be Held by Legion

Among several important announcements made at the regular meeting of Chief Cornplanter Post No. 135, American Legion was a report on the possible construction of a new Armory for Warren made by LeRoy Schneck, Chairman of the Armory Committee. Mr. Schneck pointed out the present Armory is inadequate for the modern infantry company of today which has increased from 65 men to 165 men. The present Armory has no storage facilities for the vehicles and weapons of a modern infantry company, which means most of Company I's equipment must be stored at Indian Town Gap and can be used only during short Summer Training periods each year. The committee recommends a new multi-purpose Armory for Warren with sufficient facilities to serve the National Guard, Army and Air Force Reserve Organizations, and the Marine Corps League.

Vice Commander Joseph Bunk announced the annual Veterans Day (formerly Armistice Day) dinner to be held in conjunction with the Auxiliary at the Legion Home at 6:30 p. m. on Saturday, November 10th.

Guest speaker will be Frank Johnson of Bradford, who was one of the first American G.I.'s to meet the Russians at the Elbe River in Germany Two years ago Mr. Johnson made a trip to Moscow as a guest of the Russians to attend a reunion of the soldiers who were first to meet at the Elbe. County Commander Alan Buerkle announced plans are going forward for the 28th District Convention which will be held in Warren on July 20th, 1957.

Jack Barr advised the Drum and Bugle Corps will appear at the State Hospital on November 8th to take part in the entertainment.

BENEFIT DANCE SET FOR FRIDAY

Friday evening from 8 to 12 p. m. North Warren Volunteer Fire Department Ladies Auxiliary is staging its Halloween Dance to raise funds to help provide the unit with a new resuscitator. Decoration committee will meet at 6:30 p. m. Thursday in the Community Building, according to Mrs. Douglas Ward, general chairman of the event. Fund containers have also been placed in a dozen North Warren business establishments and persons not attending the dance are reminded they may drop contributions into the receptacles in lieu of making a donation at the Halloween dance.

Strike at Thomas Plant Nearing Eighth Week

The 49-day old strike at Thomas Flexible Coupling plant will move into its eighth week Thursday with no settlement yet in sight.

Both labor and management are awaiting word from the National Labor Relations Board regional office in Cleveland on disposition of unfair labor charges preferred against Thomas by 32 striking employees.

Touched off by a wage disagreement, the strikers walked off the job September 6 when an employee was fired for what the idle men called "unjustifiable reasons." A round-the-clock picket line has been maintained since and no freight traffic has entered or left the plant.

Meanwhile, 50 other shop employees continue to report for work each morning, along with members of Thomas office force.

Should the NLRB decide the charges preferred by the newly organized local of International Association of Machinists are valid a hearing will be scheduled.

Donald Schuler reported bids are being received covering the repair and restoration of the Chief Cornplanter Monument. As soon as a bid has been accepted, actual repair work will begin.

Continued Claims For Unemployment Benefits Increase

The rescheduling of claimants because of the October 12 holiday, raised the number of continued claims for unemployment compensation benefits from 107,616 to 115,314 for the week ending October 12, Secretary of Labor and Industry John R. Torquato reports.

This increase, 7,698, was seven per cent over the number of such claims filed for the preceding week. New claims for unemployment compensation benefits dropped from 19,775 to 17,937, a decrease of nine per cent for the same period, Torquato pointed out.

Federal workers filed 80 new claims and 1,296 continued claims during the week, while 220 new and 1,498 continued claims were filed by veterans under the veterans' unemployment compensation program.

During the week, a total of 81,763 checks amounting to \$2,126,

402 were issued to claimants. In addition, 1,387 veterans' checks totaling \$31,739 and 1,139 federal workers' checks amounting to \$34,022, were issued during the same period. Check data represent a 4-day week because of the October 12 holiday.

Precinct Meeting Of Republicans Is Largely Attended

Another in the series of precinct meetings being held by the Republican County Committee, under the auspices of Chairman Allen M. Gibson, of Sheffield, and associate officers, attracted almost a hundred committeemen and workers from Warren borough, and the townships of Pleasant, Glade and Conewango, to the Headquarters in the Columbia theatre building last evening.

After Mr. Gibson outlined the purposes of the gathering and spoke in high terms of the large number present, Judge Alexander C. Flick, Jr., delivered a most inspiring talk to the workers emphasizing the importance of the present presidential election, and pointing out ways and means for making certain that every Republican vote possible is recorded at the polls on November 6th.

Judge Flick was followed by Ralph E. Sires, secretary of the Committee, who explained a program for the goal of party "to secure every possible vote for Ike" this year. He outlined the two separate functions in getting out the vote, one involving pre-election day program and another method to follow on election day.

It was brought out that the Committee is aiming for 85 per cent of the vote this year, which would mean 11,000 Republicans in Warren County going to the polls.

Other speakers were J. G. Smith, former chairman of the committee, who predicted Warren county would do its part in supporting the Republican ticket; Miss Mina Reider, president of the Warren County Council of Republican Women, who expressed her pleasure over the excellent cooperation members are giving in the campaign, and Miss Sunny Lucia, vice chairman of the Republican Committee, who talked briefly on the success of the recent registration campaign.

Attention was called to the fact that the "Republican party" will be found second on the voting machines and ballots this year due to the election of a Democratic governor. Mention was also made that Headquarters in the theatre building is being manned daily by members of the Women's Council and the telephone number was listed as 1290.

Following the program refreshments were served by a committee headed by District Chairman R. L. Ritchie, and Mrs. H. J. Harvey.

FIVE EMERGENCIES

The following persons received treatment yesterday at Warren General Hospital emergency ward. Ralph Anderson, 514 East street, laceration of right arm. Lawrence Christensen, 201 Cayuga avenue, foreign body in right first finger. Chester Wert, Sheffield, laceration of left index finger. Knuten Callahan, Cobham-Park road, fractured left wrist. Barbara Parks, RD 1, Russell, laceration of forehead.

SHARON DOCTOR INJURED

Dr. Fred A. Belland, of Sharon, has been released from Grove City Osteopathic Hospital after treatment of shotgun wounds received in a hunting accident in Elk County. Dr. Belland was hunting turkeys with fellow members of the Grove City camp, near Wilmer, when Clinton Irwin, of Grove City, shot at a squirrel. The shot struck the back of Dr. Belland's legs, causing lacerations and some loss of blood. He was taken to the hospital at Grove City, a 100-mile trip, by Harry L. Burnett, of Sharon, who was a guest at the camp.

NAMED VICE PRESIDENT

Lester R. Edwards, president of Northeastern Container Corporation at Bradford, has been named a vice president of National Container Corporation, a wholly-owned subsidiary of Owens-Illions Glass Company. National Container was merged with Owens-Illions on October 4. In his new position, Edwards will be in charge of sales and production for National's box plants east of the Rocky Mountains. He will spend part of his time in Bradford and will maintain headquarters in the box division's principal offices in New York City.

PEDESTRIAN HURT

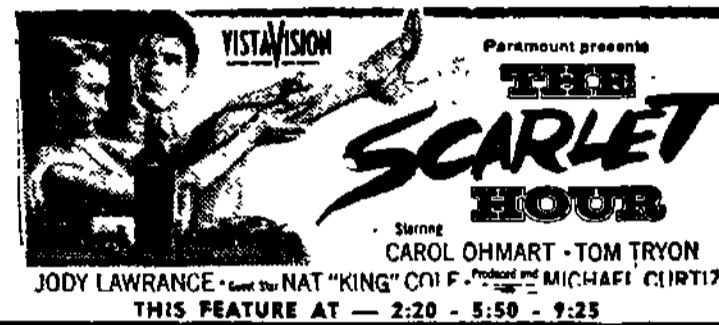

A 50-year-old Greenville man was hospitalized early Tuesday morning when he fell while crossing the North Warren three lane highway and was struck by a passing motorist before he could get off the road. The victim, William Woodward, was admitted to Warren General Hospital about 12:45 a. m. suffering from a scalp laceration and body bruises. He spent a good night. Driver of the car which struck him was Ruth Reynolds of RD 1, Warren. She said the man appeared in front of her car at the intersection of Route 62 and 69 and though applying the brakes she could not avoid striking the individual. Another car in front of her swerved at the last moment to miss the victim by about three feet. He was dressed in dark clothes. Many passing cars stopped at the accident scene.

SEEK WAGE INCREASE

The Board of Public Utilities at Jamestown, N. Y., has received a request for a 15 per cent wage boost to cover about 175 workers in the Electric and Water Divisions, it was revealed at Tuesday night's regular board meeting. The wage increase request was referred to the board's personnel committee for study. A spokesman stated that the request does not

WELL DOWN 7,596 FEET

The Titusville Herald says the deepest well drilled in Northwest Pennsylvania is now at the 7,596-foot mark. Shaw Farm No. 1, southeast of Tidoute, is still having trouble with caving in the Reedsville shale. Cementing has followed the caving but the progress has been slow. In another 100 or 200 feet the drillers expect to be out of the Reedsville shale and into the Utica. About 300 feet through that, and they will be at the top of the Trenton.

COUNTY MAN FORFEITS

A Sugar Grove driver forfeited \$225 bail on two charges when he failed to appear at Tuesday's calendar call in Jamestown City Court. Gardner Chandler, 43, forfeited \$200 bail on a charge of driving while intoxicated, and \$25 bail on a resisting arrest charge. Police arrested Chandler at Forest Avenue and Market Street Oct. 5. They said he refused to enter a police car to be driven to station and force was needed to put him in the car and take him to the Station.

YOUNGSVILLE

Youngsville—There was a good attendance of members for the WCTU meeting held at the home of Mrs. Grace Danielson at Irvine, with the president, Mrs. C. C. Johnson, in charge, Mrs. Stanley Deshner conducting devotions, and Mrs. Danielson offering prayer. Upton Sinclair's latest book, "The Cup of Fury", was reviewed by Mrs. H. H. Husted, and Mrs. Danielson recited the history of the stone house in which she lives and conducts a gift shop. Mrs. Knapp will entertain the group at the next meeting on November 14.

Mrs. Oscar Bergman, Franklin, spent last week with Mr. and Mrs. Ralph Horner and visited other friends in the locality. Tuesday morning, she was given a surprise birthday breakfast by five friends at the home of Mrs. Stanley Deshner, in celebration of her 85th birthday. This proved to be a most enjoyable occasion. On Friday, she was driven home by Mrs. Deshner, who called on a number of friends and former neighbors in Franklin.

There was a good attendance at the Monday evening revival service in the Free Methodist church to hear Evangelist J. E. Hollister from California. Services are held every evening at 7:30 and in the morning and evening on Sunday. Everyone is welcome.

The century old barn destroyed by fire two miles from Mayville last week belonged to Howard Chambers, who moved there about a year ago. Mrs. Chambers is the daughter of Carl Martin, formerly of Youngsville, and the granddaughter of Mrs. Franklin Martin, North Main street. Lost in the fire were 1,000 bales of hay, valued at \$1,500, some chickens, a feed grinder, a hay loader, some plows for a tractor, and some alfalfa and oats. A 12 by 26 stall, a garage, and a milkhouse, all near or

adjoining the barn, were consumed in the blaze.

Mr. and Mrs. Berische, Buffalo, spent the weekend with her parents, Mr. and Mrs. Warren Jones.

Mr. and Mrs. Paul Reynolds and family, Warren, and Mrs. Irene Reynolds were dinner guests Sunday of Dr. and Mrs. R. H. Knapp,

the occasion being the birthday of Mrs. Paul Reynolds, their daughter.

Mr. and Mrs. Leo Johnson left Monday for Erie to attend State Grange. They will return Thursday.

"HUNT SAFELY" WEEK

In spite of the fact that Governor George M. Leader had designated the period October 20 to 27 as "Hunt Safely Week," Monday's issue of The Times-Mirror carried stories of two shooting fatalities in this immediate area. In urging every hunter and owner of firearms throughout the Commonwealth to make a relatively safe sport more safe this year, the state executive says:

"Hunting—oldest of all sports—provides not only the excitement of the chase but also contributes to the health and welfare of almost a million Pennsylvanians who go afield each fall into our scenic woods and fields."

"Unfortunately, however, in hunting as in other sports the record has shown accidental injury or death to some participants. These tragic incidents mar an otherwise clean and wholesome form of recreation. Such accidents are caused by a few people, both young and old, who are careless, selfish or negligent—who often are unaware of the lethal potentials of their hunting weapons."

"Studies of such mishaps lead to the belief that firearms safety is basically a matter of education. It is the unwritten, yet highly important, responsibility of every father to teach his son, of every hunter to guide his companion, of every educator to instruct his student in the simple, common-sense essentials of safe hunting, the proper use and care of firearms."

"I therefore appeal to every parent and teacher, every sportsman and citizen to take an active interest in hunter safety training during Hunt Safely Week and throughout the year. But example and training, all of us can be spared the regrets and sorrows that follow firearms accidents, no matter how minor. The safe handling of firearms and the certainty that every target is legal game—not a human being—then may become a universal habit with all our people."

YOUR VOTE DOES COUNT

The October issue of "The Friendly Chat," distributed by W. M. Hill, of the W. F. Bennett Insurance Company, carried this timely and important reminder about the duty of every citizen to go to the polls Tuesday, November 6, and help in choosing the man who will guide the destinies of the nation for the next four years:

"What's the use of bothering? My one little vote won't matter, anyway."

How many times have you heard others say that? And, believing their own lame excuse for civic laziness, neglected to go to the polls in a local, state, or national election!

But—one little vote does count. One vote, more or less, sometimes has changed American history.

It was by one single vote that statehood was given to California, Idaho, Oregon, Texas and Washington.

By one single vote in the House of Representatives the Selective Service Act of World War II was passed.

Thomas Jefferson, John Quincy Adams, and Rutherford B. Hayes were elected President of the U. S. by the margin of one electoral vote.

Who's running this country?

You—both by voting and by not voting.

Be a full-time citizen. Freedom is everybody's job!

Vote, and vote American.

A vote for American statesmen in the Senate and the House of Representatives is more important than a vote for the Presidency!

AND ECHO ANSWERS: 'WHAT?'

Sen. George H. Bender (R-Ohio) points out that an economist recently declared our rising living standards will place the "Haves" in the majority by 1970. "What," the senator wants to know, "will happen to campaigns?" Indeed, what's happening to this one?

THOUGHTS FOR TODAY

And this is the record, that God hath given to us eternal life, and this life is in his Son.—I John 5:11.

Eternal life does not depend upon our perfection; but because it does depend upon the grace of Christ and the love of the Spirit, that love shall prompt us to emulate perfection.—William Adams.

Out for Blood

NEA Service, Inc.

Here and There

It was while browsing through the Evening Mirror file for October, 1888, that we came across this item of interest to present-day readers: "The residents of upper Glade, having despaired of getting any help from Glade township or Warren borough to assist in building a foot bridge in their vicinity, have taken the matter into their own hands, formed a society and raised funds with which to reconstruct the old foot bridge at the Third street terminus. The lumber was purchased at Russell, and a committee went up there, rafted it down the creek, thus saving a nice little sum on cartage. New piles will be driven and a new walk built across the flats. Steps at the point where the platform reaches the street in Glade will be done away with and the walk will slant gradually to the bridge. The wire cables, the anchorage and the towers to the bridge are all right and will be used for the new structure. The work of rebuilding is now in progress."

And here's a reprint from the Buffalo News in the same issue of

brethren by his solos in that language. He is a member of the Warren Cornet Band and captain of the Harrison and Morton machine club. Henry Messenger, with his bass voice, makes up the 'Big Seven'. His voice is considered one of the best in the state."

And finally, this, which heads the Topics column of the paper: "The melancholy days have come, the saddest of the year; it's a little too hot for whiskey straight, and a little too cool for beer!"

The following story taken from the Weekly Newsletter issued by the Pennsylvania Game Commission substantiates the generally accepted belief that among bow hunters there are many sportsmen and some rascals: On October 6 an archer in McKean County stopped his auto and shot a broadhead arrow into a fawn deer, killing it. This was an illegal act because only antlered deer were legal game in the special season for bow and arrow hunters then in effect. Shortly after this Game Law violation occurred two bow hunters came out of the brush and onto the road nearby. They emerged in time to see the law breaker fire an arrow at a second antlerless deer that crossed the road ahead of his car. The violator told these men he had made a mistake in killing the fawn and would report his illegal act to an officer. The two sportsmen doubted his story and made note of the car license number and other pertinent information. As soon as possible they reported the incident to Game Protector Robert Myers, Mt. Jewett. In company with State Policemen King, Myers cruised the area until the miscreant's auto was located and stopped. The suspect was placed under arrest. At the hearing in Bradford, later, two charges were placed against the culprit. One was for killing an antlerless deer in closed season; the other was for attempting to kill a second antlerless deer. The guilty man was fined a total of \$200, plus \$9 costs, by the Justice of the Peace. The violator paid his fine. The sportsmen received the hearty thanks of the officers.

Editors Feel Ike Should Be Allowed to Finish Job

BY PETER EDSON
NEA Washington Correspondent

WASHINGTON—(NEA)—The opinion that President Eisenhower and his administration have done a good job and are deserving of another four years in which to complete their program is prevalent in a political poll of the 700 newspaper editors receiving this column through NEA Service, Inc.

This was mentioned more than any other one factor—by 60 per cent of the editors supporting Eisenhower—in answer to a question on why they made their policy decision.

The second most-frequently mentioned reason given for support of Eisenhower was belief in his personal integrity. There was far more support expressed for the President's character than there was for his policies or those of the Republican party.

This is in direct contrast to the reasoning given by the 19 per cent of the editors whose papers are supporting Stevenson.

THE PRINCIPAL FACTOR cited by these editors was that the Democratic party has always been best for the farmer, the small businessman, the working people and the country as a whole.

The second most-frequently mentioned reason for support of Stevenson was the belief that the Democrats will give the South the best deal on the segregation issue.

Regionally, 70 per cent of the newspapers in the East, Midwest and West are supporting Eisenhower, to less than 10 per cent supporting Stevenson. In the South, 39 per cent of the editors say their papers are supporting Eisenhower while 40 per cent are supporting Stevenson.

The 16 per cent of the papers which are independent and supporting neither candidate are about evenly distributed over the country.

But some of these papers say they are deliberately "neutral" because they are disgusted with both Republican and Democratic parties. Reasons given are that both the old parties have gone socialistic. And in the South, both parties are disliked because of their stands on segregation.

NEGATIVELY, editors supporting Eisenhower say that election of Stevenson would mean a return to New Dealism or control by the big labor unions.

Negatively, editors supporting Stevenson feel that the GOP is still too much the party of big business, that Eisenhower's health is an issue and that they mistrust Nixon.

Sixty-eight per cent of the editors admitted that the health issue would cut down Eisenhower's vote this year. Only 32 per cent felt it was not an issue.

Aside from personalities, when it comes to listing the most important campaign issues, opinion is widely varied.

The farm issue is listed as number one by 60 per cent of the editors. It is top issue in every section of the country, ranging from 43 per cent in the East, 51 per cent in the West, 59 per cent in the South to 71 per cent in the Midwest.

THE ISSUE of peace is ranked even in importance with the farm issue in the East. It is second nationally in the opinion of 38 per cent of the editors and second also with 52 per cent of the editors in the Midwest.

Foreign affairs are ranked third nationally by 31 per cent of the papers and prosperity is next with 29 per cent.

In the South, foreign affairs rank second with segregation a close third, 31 and 29 per cent. In the East and West, prosperity is ranked third.

Eight and Forty Salon Takes Up New Year's Program With Installation

Thirty-three members of Warren County Salon 405, Eight and Forty, gathered in the YWCA activities building for their annual installation meeting and dinner. Guests were the installing officer, Mrs. William Reese, past departmental chapeau, and her daughter, Mrs. Winifred Lewis, of Smethport.

A delicious ham dinner was served at tables decorated with red roses and candles, and the guest of honor was presented with a corsage of flowers and dollar bills. Hostesses for the dinner were Warren members of Mrs. Pearl Graham's committee.

The business session was opened with the usual rituals conducted by the retiring chapeau, Phyllis Epstein, Sheffield. New officers, chosen to serve in 1956-57 and installed by Mrs. Reese, are as follows:

La petit chapeau, Leona Albaugh; la demi-petit chapeau premier, Lena Mourer; la demi-petit chapeau deuzieme, Marie Loomis; l'archiviste, Florine Larson; la concierge, Florence Mourer; l'aumonier, Edith Ahlquist. Besides these, there are the following appointive officers: la secretaire, Mary A'Harrish; la cassiere, Effie Speidel; l'avocate, Mary Johnson. Mrs. Reese presented the past

chapeau's pin to Miss Epstein and gave a brief talk in outlining the salon's work for the coming year and pointing out changes made in the ritual.

Mrs. Albaugh, in accepting the gavel, thanked her partners for the honor accorded her and named the following committee heads for the new year:

Constitution and by-laws, Mary Johnson; finance, Eva Brown, Mary Hildum, Effie Speidel; child welfare and TB fund, Hazel Witz; partnership, Florine Larson for Warren, Phyllis Epstein for Sheffield, Myrtle Davis for Youngsville, Hazel Stearns for Sugar Grove.

Educational fund, Pearl Graham; publicity, Alberta Germonito for Warren, Evelyn Gailor for Sheffield, Helen Tellman for Youngsville; scrapbook, Alberta Germonito; trophies and awards, Wilda Wilson; cards and flowers, Edith Krespan for Warren, Henrietta Landers for Sheffield, Mary Johnson for Youngsville, Catherine Hunzinger for Sugar Grove.

Rituals and emblems, Emma Christian; National Jewish Hospital, Florence Poy; hostess chairman, Clara Driscoll for Warren, Evelyn Gailor for Sheffield, Dorothy Peterson for Youngsville; ways and means, Myrtle Cobb, Ella Wallace, Hazel Norris, Mary Nelson, Helena Fox, Marjorie Mourer, Teresa Bower, Ruth Howarth, Elsie Avers, Bertha Wolfe.

Due to the Thanksgiving holiday, plans have been made to hold the November meeting one week earlier, the date to be the 14th, the place in Sheffield to be announced later.

Mr. and Mrs. Wayne Sebring, Brookville RD 2, wish to announce the engagement of their daughter, Marjorie Gay, to Douglas J. Flick, son of Mr. and Mrs. Edward Flick, 300 Edgewood Place, Warren. Miss Sebring will be graduated in 1957 from Clearfield Hospital School of Nursing. No date has been set for the wedding.

ST. LUKE'S GIVEN PROCESSIONAL CROSS

At the Festive Evensong Service held in St. Luke's Episcopal church at Kinzua, a beautiful medieval English Processional Cross, made by Earl English of Kinzua, was blessed and used for the first time.

The design of this unusual cross is patterned after a colorful cross used in medieval England, is used to head religious processions before and after services, and is usually carried by a crucifer or cross-bearer.

Harold Triggs Will Play on Philomel's Concert Grand

A little over a year from the time the Philomel Club began to inquire into the possibility of starting a piano project, the community concert grand was a reality, standing on the stage of Beatty Junior High School auditorium awaiting the playing of Jacob Lattimer in the initial piano recital in November, 1955.

As the result of much planning and a serious effort in fund-raising the Philomel Club has made available to the community of Warren a really fine piano for concert use. It is full concert grand size and is housed at Beatty auditorium in an especially constructed case.

The piano has been made available, without charge, to the school for all major music events held in the auditorium. Other organizations, such as the Jaycee Concert Series, are encouraged to make use of the instrument. Acoustics are unusually fine in this still-new auditorium and one can hear equally well from any seat.

The Philomel Club has assumed the responsibility for care, tuning and upkeep of the instrument, charging a modest rental for maintaining the piano in the best possible condition. Chairman of the community concert grand piano committee for the 1956-57 season is Mrs. Carl Whipple, and requests for use of the piano may be directed to her.

Philomel members are confident the people of Warren will want to hear the initial recital event of this season, its presentation of Harold Triggs, of New York City, on Sunday afternoon, November 4, at 3:00 p. m. and advises that tickets are available from any club member.

BROWNIE TROOP VISITS BAKERY

Brownie Troop 37 of Clarendon enjoyed a visit to the Anderson Baking Company plant for its regular meeting. The girls were taken on a guided tour through the bakery and, to conclude, were served cookies with the compliments of the firm.

In the group were Mary and Linda Sevanick, Connie, Gloria and Barbara Bullock, Crystal Carmany, Rosemary Arbogast, Susan Shaver, Patty Lobdell, Lois Colvin, Sandra Rasmussen, Darlene Pusateri, Candy Thompson, Barbara Greer, Ella Mae Chapel, Sherry Wagner, Pat Dutcher and Peggy Merthling, accompanied by Mrs. Carl Rasmussen, troop leader; Mrs. Chris Thompson, assistant, and Mrs. Francis Arbogast.

PINE GROVE PTA

Russell—President Tom Leathers conducted the October meeting of Pine Grove PTA at the local school, opening with singing of "America". At the request of Assistant Superintendent Robert Hockenberry, Mrs. Smith, first grade teacher, made announcement of a film, "Promoting the Teaching of Science", to be placed in the county library and used by all grades in the county schools. After some discussion, it was voted to purchase the film at a cost of \$50. The attendance award went to Mrs. Duell's third grade, with 20 parents attending.

Mrs. George Wilcox, program chairman, presented Mrs. Kenneth Way and Mrs. Lewis Van Ord, Jr., in a piano duet, followed by a talk by the school nurse, Mrs. Geraldine Summerson, on "The School Health Program". She demonstrated recently-purchased ear and eye-testing machines and explained permanent health and dental records kept on each child through his school life. Concluding, she answered questions from the parents.

At the close of the program, refreshments were served by fifth grade mothers in the cafeteria.

EVANGELIST RETURNS

The Rev. R. W. Wolfe, general evangelist of Pilgrim Holiness church, is speaking every night through November 4 at First Pilgrim church, 602 Fourth avenue. This is a return engagement for Mr. Wolfe in this area, where he is well known as a camp meeting speaker.

The Rev. Harry E. Grimes, local pastor, states there will also be special singing each evening and extends a cordial invitation to the public to attend.

'I Would Be More Strict,' Teen-Ager Tells Parents

"If I were the mother of a teen-age girl I'd make her be home at a certain hour. I'd insist that she bring her friends over to the house and I'd try to know them as well as I could. I'd make sure there were chaperons at all of the parties she went to."

Who's talking? A high school teacher who doesn't have any children of her own? Grandma—who reared her children in an easier time? A childless wife who thinks she could do a better job of child rearing than most parents seem able to do?

Nope. It is none of those. It is a 16-year-old girl, interviewed for the Ladies Home Journal.

Those are the words of a teen-ager who is being given more freedom by her parents than she thinks is safe, even more freedom than she would give her own daughter.

ENCOURAGEMENT FOR THE "OLD-FASHIONED"

THE article, "I Wish My Parents Would Be More Strict," which is in the October issue of the Journal, should be an eye-opener for parents who belong to the "you have to let them do what everyone else is doing" school of thought.

It should also give comfort to so-called "old-fashioned" parents. They're the ones who still ask questions and insist on knowing their children's friends. They refuse to be wheedled into saying "Yes" when they know they shouldn't, who set definite hours when a teen-ager is to be home and instruct him to telephone if he changes his plans.

It may be possible that in trying to be understanding, reasonable and cooperative, we parents have become so wishy-washy, the kids, themselves, are beginning to feel a need for more adult guidance and supervision. This article indicates it.

Further Details About Parcels For Peace Plan

World Community Day, to be observed by the Warren County Council of Church Women, on Friday, November 2, at Trinity Memorial church, will assure care, comfort and security, in some measure, if everyone participates in the Parcels for Peace plan.

Trinity Women are reminded and urged to contribute boy's clothing (16 years and up); men's clothing (especially suits and over-

coats); yardage of denim and sheeting for refugee mothers to make into work clothes; blankets or cash gifts. It is also suggested that children be encouraged to bring outgrown clothes for boys and girls in other lands, and those in charge point out of the need for collecting 8c per pound of material aid brought to the meeting.

Parcels for Peace, which extends the work of United Church Women seeking to bring about a peaceful world, will eventually reach India, Pakistan, Korea, Near East, Japan, Greece, Italy, Germany and Hong Kong.

'Million Dollar Lady' Pioneers for Chinese Women

BY ALICIA HART
NEA Staff Correspondent

WASHINGTON — (NEA) — Mrs. Grace Chow didn't sell me a cent of life insurance—believe it or not.

But this stunning "Million Dollar Lady" sold herself. Sitting in sunny Lafayette Park with the White House in the background, she chatted quietly about an exciting life that still goes on at full tempo.

"THIS IS THE only time that I haven't sold in my life," laughed Mrs. Chow, who was in the capital to attend the National Association of Life Insurance Underwriters convention. "I'm taking a real holiday."

To say she deserves it is a gross understatement. In each of the last five years she has sold a million dollars' worth of insurance.

With the same success, she also helped her husband run a huge tea business in addition to raising five children—four girls and a boy.

"It wasn't easy," she explained. "I really had to pioneer

Pioneer in a way of life for Chinese women is Mrs. Grace Chow, who has built a million-dollar place for herself in the insurance world.

because a woman's place is in the home, according to Chinese tradition. When she first went out on the

road to try to talk Chinese people into buying insurance, she was met with hostility and suspicion, especially by men.

"There were always questioning eyes," said Mrs. Chow, who lives in Los Angeles, Calif. "Often I would dress up and go out to a nice Chinese restaurant. And after a while, I was not surprised when the head waiter would ask me if the proprietor could come to my table. The owner would shoot questions at me from A to Z."

"Are you a widow?" is one question Mrs. Chow was generally asked. She always made it a point to carry pictures of her five children and her husband, however.

"THEY ALWAYS wondered what a Chinese woman was doing galavanting around the country by herself," she says with a laugh. "But sometimes I wound up selling them insurance."

"In the end I was able to prove that a Chinese woman can be a good homemaker, wife and career woman at the same time. "Luckily, I had a wonderful

husband who was broad-minded enough to let me go out and do it."

Over 90 per cent of the insurance Mrs. Chow writes is for Chinese people, and she has been particularly successful because of her ability to speak in several Chinese dialects.

SHE PICKED UP these complicated language variations during numerous trips to China when she and her husband were operating their tea and ginger business.

She made the contacts and gained considerable experience selling her tea and ginger products.

In fact, in many cities she was known as the "Ginger Lady."

Hard times came when World War II cut down on imports from China, so Mrs. Chow went into insurance to keep the family and business out of the red.

Now she's called the "Million Dollar Lady."

Is she ever planning to quit? "I don't think I'm the retiring kind," she says with a gleam in her dark eyes. "As long as I'm healthy and strong I'll keep at it."

Is Methodist Speaker

Thursday at 8:00 p. m. is the date and time set for the regular meeting of WSCS of First Methodist church, when Mrs. Alice Rentz of New Castle will present a program on "Volcanoes in Southeast Asia," illustrating her talk with pictures taken during her travels in Japan, Korea, and eight other southeast Asian countries.

Mrs. Rentz has been in Woman's Society work for 16 years and is qualified to speak of its far-reaching program. Among the many posts she has filled are the vice presidency and presidency of the Grove City District WSCS; four years on the Board of Missions and Woman's Division of Christian Service.

She is presently serving on the finance committee of the National Council of Church Women, on the board of directors of the Pennsylv-

vania Council of Churches, and as a trustee of Allegheny College. She is described as a very interesting speaker and her program here promises to be one of the highlights of the year.

The meeting will be held in Dunham parlors, with President Mary Keller in charge. Mrs. Robert Branan will conduct the worship service and members of the Sunnyside Wesley Circle will be hostesses for the evening. Sarah Jane Hartman and Mrs. Clair Lawhead are co-chairmen.

Executive committee members are reminded they have a brief meeting scheduled at 7:30 p. m.

Maturity

Home Is Accessory

BY ALICIA HART
NEA Beauty Editor

A YOUNG woman, a woman not yet married, tries to glow like a diamond in any setting. She wants to be glittery, or in some other way outstanding, whenever she goes.

A woman in her mature years has a marvelous advantage. She can make her own setting. An interior decorator knows this when he inquires about favorite colors, dress colors commonly worn and favorite paintings. But a woman can be her own decorator and flatter herself all she wants.

Her natural coloration is her first consideration. If yellow makes her look sallow when worn, it will probably do the same thing when used on the walls. If she is fair of skin and silver of hair, she may want contrast around her.

If she loves to wear red at home, either in dresses or hostess gowns, she ought to consider that when painting the walls or buying draperies.

Furniture shape is important, too. A woman ought to have one or two chairs in which she can sit comfortably and gracefully. If she loves modern furniture, but can't sit in it without having her legs stick out, she ought to have a "mother's chair" in which she can sit gracefully.

Her coffee table ought to be a height from which she can pour coffee easily. Straining is unflattering. After all, if she can't have flattering accessories in her own home, where can she?

Seasonal Function For Golden Ageds

With more than 100 attending, about 30 persons came masked to the regular meeting of Golden Age Society at the YWCA activities building Monday afternoon.

Lady's first prize was won by Mrs. Minnie Mumford, 78 West Main street, Tidicut, dressed as a witch; second, Mrs. V. Kubeiger, in night attire and carrying proper accessories, third, Mrs. Hazel Mason, as a ghost.

For the men, first prize went to Dr. C. J. Frantz, dressed as a friendly Indian; second F. A. Mitchell.

After a lunch of pumpkin pie and coffee, a TV skit was presented, with F. A. Mitchell as announcer. The first act was two harmonica solos played by Mrs. V. Kirberger. After the Joy commercial by Mrs. Florence Edwards, a "Double Your Money" contest was staged by Mrs. Elsie Hantz and Amel Follett; Mrs. Hilda Bailey did a clog dance, accompanied by harmonica music.

Two young men, William Cornwell and Clyde Baker, stopped by and pleased the members by singing negro spirituals. A waltz contest was won by Amel Follett and Mrs. Kirberger. Mrs. Hazel Mason pleased with a piano solo, "The Robin's Serenade," and group singing was enjoyed, with Doris Betts leading and Mrs. Mason at the piano.

General appreciation was expressed to all who helped in the kitchen and those who put up tables and chairs.

Next meeting of the society will be November 12.

American Legion Auxiliary Is Busy With Plans for Many Coming Events

Mable Bisson presided at a very busy session of American Legion Auxiliary last evening, when delegates were named to attend the Inter-County Council meeting at Jewett on Saturday of this week. Mrs. Mary Wilson, department commander, and Mrs. Oscar Carlson, western vice president, will be guest of Council on that occasion.

Representing Chief Complanter will be Mary Ann Buerkle, dining Council president; Mrs. Carlson, president of the unit; with the following delegates and alternates:

Emma Kiernan, Hazel Witz, Lorence Hill, Gerda Carlson, Alberta Germonito, Edith Ahlquist, Iona Albaugh, Iona Morrison, Ellen Valentine, Pearl Graham, Mary Rowland, Elizabeth Shepard, Myrtle Mangini, Ella Mauk, Florence Larson, Ella Wallace, Helena Cox, Edith Krespan, Edie Speidel, Myrtle Cobb, Billie McDannel, Dolores Hanson, Dolly Ayers, Belle Gaines, Clara Wilkins and Elizabeth Buerkle.

Plans were completed for the veterans' party to be held at Warren State Hospital Thursday, November 8.

All interested members were urged to attend the "Veterans For Eisenhower" meeting to be held at the court house this evening, when the past department president of the American Legion, J. Addington Wagner, and the past department president of the Auxiliary, Mrs. Ruby Ward, will be included in the roster of speakers.

Plans were completed, also for the Veterans' Day tureen dinner at the Legion Home Saturday evening, November 10.

It was reported the Past Presidents elected the following slate of officers at their meeting earlier in the evening: President, Mrs. George Cobb; first vice president, Mrs. Milton Witz; second vice president, Mrs. Hazel Koebly; secretary, Mrs. Alan Buerkle; treasurer, Mrs. Clara Driscoll; chaplain, Mrs. Merle Graham; historian, Mrs. William Germonito; sergeant at arms, Mrs. Edie Speidel.

Prizes for the best Halloween costumes for the evening were awarded to Clara Wilkins and Leona Albaugh.

The Mature Parent

What Do We Really Want From Our Child's School?

BY MRS. MURIEL LAWRENCE

ONCE in my presence a noted professor of psychiatry made this neat observation: "The reason we so seldom get what we want is that we so seldom know we want it."

What do we parents want from our children's schools?

I think we don't know—or we'd have it.

The Great Books Foundation has set out to help us know. It has launched a new discussion program for parents called Great Issues in Education.

Suggesting that our conflicts over teaching methods, federal aid and other problems are really differences of fundamental views on the purpose of education, the program asks the key question: "What do you send your child to school to get?"—and offers us a variety of answers from which we can pick the one that reflects our own thinking.

FOR example, Aristotle and Dr. Wilbur A. Yauch of Northern Illinois State Teachers College think citizenship is the aim of schooling. They think that education's purpose is molding a child to suit the government he lives under.

But as a parent who recalls what governments have done to Jesus, Joan of Arc, and the Pilgrim Fathers, I agree with Bertrand Russell who thinks that the political control of education is denial of our right to think individually.

Should education's aim be the child's vocational training—the development of marketable skills he can be sure of selling at a profit?

Lots of people think so. Others agree with Bernard Iddings Bell who defines education as the development of ethical discrimination.

HOW do you feel about John Dewey's "progressive" idea that children learn something only by directly experiencing it? Does this idea make for standardized education as its critics say? Are those little visits to dairy farms so dear to the hearts of "progressive" teachers just mass-produced "experience" as artificial and sterile as a pink sugar rose on a baker's cake?

Or is the adult-conducted visit to the adult-controlled dairy farm a truly educational experience for children?

The Great Issues in Education program is a great chance for parents who want to burst out of old thinking on this all-important matter.

Grace Methodist Circle Meetings

Ora Hooper Circle members held their October meeting at the home of Mrs. Thelma Christensen, on 14 present. Mrs. Mary Wilson conducted the business session and Miss Clara Wikstrom gave devotions. A large number of gifts was collected for the girls at Vashit School at Thomasville, Ga., and Mrs. Norman Johnson took up the study of "September Monkey" by Induk Pakk. Concluding, refreshments were served by the hostess and Mrs. Grace Campbell.

The October meeting of Martha Graf Circle was held at the home of Mrs. Donald Curtis, Cobham Park road, with 11 members in attendance. Mrs. Frank Iseman led devotions and Mrs. Knud Knudsen reviewed the book "Why I Am a Methodist" by Roy Smith. Members made dressings for the Cancer Unit, and refreshments were served by the hostess, assisted by Mrs. Richard Hildum and Mrs. Sara McClement.

Frances Fulton Circle was entertained at the home of Mrs. W. J. Summerville, with 18 members present. Mrs. Luella Hammerbeck was in charge of devotions. After the business meeting, conducted by Mrs. Mable Hulings, Mrs. T. E. Sponsler reviewed a chapter of the study book, "There Is No End". Members worked on an Afghan as part of a project and a social hour included refreshments served by the hostess, assisted by Margaret Douglas and Mrs. Grace Firth.

DORCAS SOCIETY

Dorcas Society members of St. Paul's Lutheran church will meet in the church parlors at 8:00 p. m. Thursday, entertained by Mrs. Arthur Hedberg and Mrs. Olga Hultberg. There will be a program and refreshments and all members and friends are cordially invited to be on hand.

Mirrored in Our Times

In Warren County, it must be noted, the Republicans are far from indifferent as far as the forthcoming election is concerned. Rallies, small gatherings, speeches and personal appearances are prevalent—since we've lived in the area, we can't recall such an active interest. Ours, in this column, follows the middle road—and we stand firmly on the platform that advocates thusly: "If you are properly registered—BE SURE TO VOTE on November 6!"

One can hear speeches and speeches and learn a lot—but every once in a while a man comes along to discuss a certain topic and makes a definite and lasting impression. At a PTA meeting this week, Nelson Johnson, Social Service Director at Warren State Hospital, presented a talk that will not soon be forgotten. Stressing the obvious fact that mental illness was 83% curable, Mr. Johnson pointed out that the average citizen (in Warren, at least) failed to appreciate the remarkable reputation achieved by the neighboring hospital, and, in some instances, because of misunderstanding, actually was the indirect cause of a discharged patient's need to return to the institution for further treatment. The staff at Warren State Hospital can and will provide a most informative panel for groups interested in educating themselves as to the actual work accomplished at the splendid institution. One out of every eight families may have to cope with mental illness—but statistics prove that it can be coped with most effectively—as the surgeon removes a diseased appendix—so does the psychiatrist treat a disease of the mind.

Do you have "pressing problems?"—everybody does! Skirts still clean—but wrinkled?—and Papa's pants in the same shape? (no shape, that is!)—Silly isn't it?—particularly in this modern age when fabrics have been combined and tested to eliminate the problem. By combining orlon and wool, flannel has been produced—flannel that holds its press longer. Wrinkles actually hang out overnight!

As advertised in LOOK—as featured at The Style Shop—Seven Seas Sailfast in wool and orlon slacks for that well-groomed look. All the luxury of superb flannel and it wears wonderfully. In solid shades and a new muted stripe—at The Style Shop—"Best in Menswear".

"I've Got a Secret"—it may not be "High Finance" or even the "\$64,000 Question". As for "Do You Trust Your Wife?"—well, mebbe "You Can Strike It Rich". We may not "Break the Bank" or "Pick the Stars"—it's a "Treasure Hunt" (in a way) but "Name that Tune" is out of the running. This is strictly a local contest—a bit like "What's My Line"—and a famous manufacturer of an equally famous line of perfumes is cooperating with a local retailer to present a brand new quiz. Here's what you have to do to qualify: 1—Look for an outstanding ad in this evening's Times-Mirror (for complete details); 2—Walk by 233 Liberty street—smile, inhale (breathe, if you like) and then enter the contest to correctly identify the perfume being dispensed. One-hundred women may be winners of a regular priced bottle of famous-scented cologne (chosen from the local store's fabulous collection)—if you require more details, start turning the pages—read the big "ad" tonight—with a list of fragrances from which to choose.

New local promotion—"What Do You Smell?"—walk by The Warren Drug Store today—take note of the air-spray—step inside and compare by using convenient atomizers or sample bottles. You can win a fine prize. BUT, for complete details, you should scan the Warren Drug Store advertisement in this evening's Times-Mirror edition.

... found in Chester Cathedral Refectory was the following prayer: "Give me a good digestion Lord, and also something to digest. But when and how that something comes—I leave to Thee, who knowest best."

Outdoor Municipal Pool Project To Be Discussed Tonight

The Citizens Committee which is pushing plans for an outdoor municipal swimming pool will hold its second meeting at 7:30 p. m. today in the YWCA.

The group is expected to hear a progress report from the Warren Borough Council's Recreation Board. The five-man Recreation Board has held a meeting since the first Zonta Club-sponsored group of citizens met September 12th and voted to pursue the swimming pool project to a near-future conclusion.

At least three tentative sites for the outdoor pool have been selected by the Recreation Board and first cost estimates of the proposal would indicate a figure in excess of \$100,000.

It is hoped that the pool can become a reality by next summer. Representatives of 28 separate organizations behind the project comprise the Citizens Committee.

Lions Club Making Plans for Annual Sale of TB Seals

The regular weekly luncheon meeting of the Warren Lions Club was held Tuesday noon at the YWCA. President Edward MacKendrick introduced Richard Huber as a new member. Guests included Melvin Keller, president of the Warren Area School Board, and County Commissioner Blain Mead.

James Mazzu reported that the annual Tuberculosis Christmas Seal Sale was progressing into the final stages and would be ready to go on the opening day.

The program consisted of a talk on the proposed new Warren High School building, which brought on many questions from members.

INSPECT NEW PLANT

Titusville Herald: Newspapermen from Northwestern Pennsylvania were guests of The Herald yesterday afternoon to inspect the new building. They were enthusiastic in their praise for the modern office and plant. Coming the farthest distance was Salvatore Castillo Viga of the Excelsior, a weekly newspaper published in Sonoma, El Salvador, Central America. He arrived in Titusville with A. W. McDowell and G. A. Harshman of the Sharon Herald. Mr. Castillo is in the United States under the auspices of the State Department. Charles A. Morla of that department was his companion and interpreter.

Volunteer Program At State Hospital Will Be Expanded

Continuing success of the Volunteer Program at Warren State Hospital has led to the decision to expand this program. Two previous classes of Volunteers have rendered thousands of hours of service to hospital patients and have now become an integral part of the hospital's work. Women of Warren and vicinity have arranged parties, entertainment and many personal services which have made patients feel that the community is interested in them.

The new class of Volunteers will be limited to 20 persons. In previous classes the training and orientation program has been given in successive afternoons and included lectures and discussions by hospital doctors, nurses and other personnel. If evening classes are preferred by new applicants, it is possible that this can be arranged.

Volunteers accepted for the new class will have some 12 hours of medical and nursing orientation. When they begin their actual services, they will be asked to donate two hours of work per week.

Any persons interested in the new class may either write the director of Volunteers, Mrs. Nelson A. Johnson, at the hospital, or may phone her between the hours of 1:00 and 4:00 P. M.

Senators' Bosses Decide To Stay in Washington

Washington (P)—The Washington Senators will be back at the same old stand next year. The club's five directors have voted unanimously to stay here, after two weeks of talk that Washington's American League baseball franchise would be transferred to another city.

Afterward, Calvin Griffith, president of the Senators, said "we will stay here the rest of our lives."

The decision came after many baseball followers here had become convinced the Senators probably would be playing out of Los Angeles next season.

Published reports had pictured Griffith as anxious to move to a city where his club could make more money. And, it was indicated, he preferred Los Angeles over Louisville, San Francisco and Minneapolis the other cities bidding for the franchise.

New Advisory Man For Forests Takes Up Position Here

A new advisory service for everyone interested in forestry, its management and its products has been inaugurated by an agreement between the United States Forest and Commonwealth of Pennsylvania.

Under terms of the agreement, a dozen foresters will be assigned to specialized duty in selected Forest Districts throughout the state. The Warren area assignee is Ray Winning who is now stationed in the Meadville forestry office but will be readily available in Warren by request.

Winning will work closely with Charles Merroth who is district forester of the Pennsylvania Department of Forests and Waters. The new man is a native of Pittsburgh, graduated from Penn State in 1952 and recently was transferred from California where he worked in the federal forest service.

Specifically, Winning will (1) advise woodland owners on planting, managing and harvesting activities; (2) mark timber and make inventories; (3) advise forest product operators in such matters as timber supplies, operation, marketing and fire protection; and (4) establish close cooperation with other state and federal agencies.

The U. S. Forest Service will partially reimburse the Department of Forests and Waters for salaries and other costs of the program. The Commonwealth's District Foresters, such as Merroth, will provide supervision and overall planning in the activities of particular Service Foresters assigned to the Departmental Districts.

"A request may be made," Merroth commented, "by any woodlot owner for assistance in management, timber marking, fire prevention and related forestry activities." He continued, however, that the Service Forester "is not authorized to act on requests which involve woodlot appraisals exclusively."

Sale of Bonds—Glade Township \$9,000.00

Sealed bid will be received by the Township of Glade, Warren County, Pennsylvania, by William Olney, Secretary, at his residence, R. D. 1, Warren, Pennsylvania, until 7:30 P. M., EST, on Tuesday, November 6, 1956, and will be opened thereafter on the same day at 8:00 P. M., at Room 201 Warren National Bank Building, Warren, Pennsylvania, for the purchase of \$9,000.00 par value, general obligation coupon bonds of the Township of Glade. The Bonds are of the denomination of \$1,000.00 each, registerable as to principal only, dated December 1, 1956 and mature in the order of their number as follows: One Bond on December 1st of the years 1957 to 1965, inclusive, with interest payable June 1st and December 1st in each year. The principal and interest are payable without deduction for any taxes (except gift, succession or inheritance taxes) levied pursuant to any existing or future laws of the Commonwealth of Pennsylvania. The Bonds shall be callable in whole or in part at 30 days prior written notice of the Township of Glade Township to the bond holder.

Each bid shall specify in a multiple of one eighth of one percent a single rate of interest which the bonds are to bear and shall be accompanied by cash or a certified or cashier's or treasurer's check drawn to the order of the Township of Glade Township in the sum of \$180.00 as security for the performance of such bid.

Bids shall be addressed to William Olney, Secretary, R. D. 1, Warren, Pennsylvania, and shall be enclosed in a sealed envelope sufficiently labeled to indicate that it is a bid for these bonds.

The bonds will be sold to the highest, responsible bidder subject to approval of the Authorizing proceedings by the Department of Internal Affairs of Pennsylvania. No bid for less than par and accrued interest or for less than all of the bonds will be accepted.

The purchaser will receive without charge the opinion of Richard A. Leuthold, Esq., Attorney at Law of Warren, Pennsylvania, that all bonds are valid, general obligations of the Township payable from ad valorem taxes levied on all taxable real property within the Township without limitation of rate or amount.

The right to reject any or all bids is reserved.

By order of the Supervisors of

Glade Township.

The principal and interest are payable without deduction for any taxes (except gift, succession or inheritance taxes) levied pursuant to any existing or future laws of the Commonwealth of Pennsylvania. The Bonds shall be callable in whole or in part at 30 days prior written notice of the Township of Glade Township to the bond holder.

Each bid shall specify in a multiple of one eighth of one percent a single rate of interest which the bonds are to bear and shall be accompanied by cash or a certified or cashier's or treasurer's check drawn to the order of the Township of Glade Township in the sum of \$180.00 as security for the performance of such bid.

Bids shall be addressed to William Olney, Secretary, R. D. 1, Warren, Pennsylvania, and shall be enclosed in a sealed envelope sufficiently labeled to indicate that it is a bid for these bonds.

The bonds will be sold to the highest, responsible bidder subject to approval of the Authorizing proceedings by the Department of Internal Affairs of Pennsylvania. No bid for less than par and accrued interest or for less than all of the bonds will be accepted.

The purchaser will receive without charge the opinion of Richard A. Leuthold, Esq., Attorney at Law of Warren, Pennsylvania, that all bonds are valid, general obligations of the Township payable from ad valorem taxes levied on all taxable real property within the Township without limitation of rate or amount.

The right to reject any or all bids is reserved.

Top U.S. Officials Are Fearful Russia May Take Some Drastic Action To Smash Polish Drive

By JOHN SCALI
Washington (AP)—Top U. S. officials fear Russia may yet take drastic action—possibly including force—to smash Communist Poland's drive for independence.

In their view, the most dangerous phase of the struggle for control of Poland is just beginning, with the Kremlin apparently undecided about its countermove.

American diplomatic officials said Soviet leaders scarcely will sit back and let Poland slip out of their control because:

1. If successful, Poland's example in defying Moscow may be followed throughout Russia's satellite empire.

2. Kremlin leaders, led by Nikita Khrushchev, Soviet Communist boss, undoubtedly realize their future may be in jeopardy if they can be accused of fumbling away a chunk of the satellite domain left by Joseph Stalin.

3. An independent Poland would cease to be a buffer against the kind of surprise attack Nazi Germany launched in 1941. Further, it might imperil communications

with Soviet army and air force units in East Germany.

Responsible officials stressed a belief that Poland's drive for independence broke so fast that the Kremlin was caught by surprise.

Now that the initial shock has eased, they said, Khrushchev and other top Kremlin leaders undoubtedly are considering countersteps. These U. S. officials said the possibility of outright military force cannot be ruled out even though Soviet leaders apparently have avoided resort to any such steps thus far.

Reliable intelligence reports reaching Washington show that from two to four Soviet divisions in East Germany were moved to the Polish frontier last Thursday. The Soviet troops apparently did not cross into Poland, however, and may have returned to their East German bases by now, officials said.

Officials said Soviet leaders undoubtedly realize that resort to force might wreck the image of a new "reasonable" Russia, which Moscow has sought painstakingly to spread before the world since Stalin's death.

Never before in history has anything

built by man traveled so far in so short a time

—by land or sea!

An announcement of decisive importance to anyone about to buy a new automobile

The most exhaustive endurance test ever given an automobile has just been completed by two stock '57 Fords—identical in every respect with cars now being offered by Ford Dealers.

Under the supervision of the United States Auto Club and the Federation Internationale de Automobile, each of these two '57 Fords traveled 50,000 miles in less than 20 days. Ford No. 1 averaged 108.16 mph for the entire run . . . Ford No. 2, over 107 mph. These averages include time for all pit stops.

In all, the '57 Fords smashed 458 national and international records.

This test was run on the Bonneville Salt Flats in Utah . . . it was the longest left turn in history.

A car, like a man, is known by its deeds, not words.

That is why, we at Ford, despite our confidence in our '57 cars, let their deeds of accomplishment speak for themselves.

We wanted them to prove to you—in action—the stamina and performance we had built into them. No words of ours could speak with equal conviction.

Therefore, we engaged an independent engineering organization to test our '57 cars more thoroughly than any other cars have ever been tested before—in this country or abroad.

We provided them with '57 Fords—cars identical with those now offered by Ford Dealers. The rest we left up to them.

Here is what they did:

They took these cars to the Salt Flats at Bonneville, Utah.

Here, twelve of the world's greatest drivers took over.

In relays they drove these cars night and day for a distance greater than twice around the world . . . a distance equal to 5 years of normal driving.

Not in all history has a man-built machine traveled so far in so short a time—by land or sea!

But this was not a test of speed—but of endurance of the "Inner Ford." A trial to take the measure of Thunderbird Y-block V-8 power without qualification of any kind. A test of running gear—of brakes, of materials in body and chassis. Of steering and roadability, yes, and comfort, too!

A test, indeed, such as no cars have ever undergone, let alone successfully concluded.

We feel that by their deeds, you shall know the '57 Ford cars.

Surely they have told you, in decisive terms, that they are worth more when you buy . . . and when you sell!

Your Ford Dealer will gladly place at your disposal the new kind of Ford that means a new kind of value for your car—buying dollar—the greatest the world has ever seen.

Area Man Winner of Contest Sponsored by Tire Company

Samuel Chesnutt, 108 Lansing street, North Warren, is the proud possessor of two Deluxe Tubeless Tires, one of the prizes in the nationwide \$150,000 3-T Safety Sweepstakes sponsored by Goodyear Tire and Rubber Company, and presented to him by Jerry Abbott of Chamberlain Sales, 617 Pennsylvania avenue, east.

First prize winner, it has been learned, was Joe W. Swanson, Jamestown, N. Y., who received \$25,000.

Designed to attract public attention to the ever-increasing need for greater tire safety on the nation's streets and highways, Goodyear's 3-T Safety Sweepstakes was conducted for 11 weeks in June, July and August. Millions of persons from every state in the union registered for the event.

3-T is Goodyear's designation for its tire fabric which is especially treated by a precision process combining the three elements of tension, temperature and time. 3-T cord makes possible the construction of tires with greater strength, safety and wearing qualities.

A total of \$75 prizes, ranging from a top of \$25,000 down to a pair of Goodyear Deluxe Super-Cushion tubeless tires, is being presented to the Sweepstakes Winners.

Dragons Will Be After Fifth At Kane on Friday; Sheffield Concludes Its Season Saturday

Warren High School Dragons will be out to get their fifth win of the season Saturday as they go after the Kane Wolves in an away game.

The Wolves do not have a particularly tough team this year and were trampled last Friday night in a decisive 33-12 manner by Titusville Rockets. The Rockets also skidded by the Dragons 19-14 on a rain swept gridiron, but poor officiating figured in the game which Warren lost after Titusville scored two quick touchdowns in eight minutes of the final quarter.

If the Kane Wolves should prove an easy defeat, the Dragons are going to have a rough time of it in the next two games. On Friday, Nov. 2, Warren will travel to Millersburg for a tough one and the following Saturday, Nov. 10, the traditional scrap with Jamestown will conclude the season with the locals at home.

Other county games this week-end will pit the undefeated Northern Area Knights against Ripley at Ripley. The Knights are expected to face their strongest opposition of the season the next week when they meet Cassadaga Valley Central School.

Youngsville Eagles will play at Saegertown this Friday and Sheffield Wolverines will wind up their season at home Saturday afternoon against Port Allegheny.

Sooner Coaches Fret About Game Against the Irish

By SAUL FELDMAN
Norman, Okla. (P) — "Oklahoma score more points against Notre Dame than Michigan State?"

"Son, the Sooners will be lucky to get out of South Bend Saturday with their string of 34 football victories intact." That's the entire Oklahoma coaching staff at its favorite pastime of chanting the "We Can't Beat Them Blues."

From Head Coach Bud Wilkinson down the line, the worry is growing among the coaching staff that the team won't be able to handle the Irish in the nationally televised contest.

It's a sincere worry, and maybe is one reason that Oklahoma has been so successful under Wilkinson for 10 years. Nothing is ever taken for granted.

There are very few things Wilkinson's teams haven't accomplished, and one of them is beating Notre Dame.

Twice the Sooners have clashed with the Irish, and both times they were whipped by a touchdown. The first time in 1952, they lost 21-27 and the next year it was 21-28.

Michigan State stopped Notre Dame 47-14 last Saturday, an impressive enough victory to cause sports writers to drop the Sooners into the No. 2 spot in the nation's football ranks. Michigan State took over the top rung.

"Talk of beating Notre Dame bad is just wishful thinking," Wilkinson said. "We can't come close to matching Michigan State in the reserves which wore down Notre Dame. Don't forget that Notre Dame played Michigan State to a standstill in the first half. We won't be able to do that."

Two 6-Foot Heavies Will Slug It Out Over TV Tonight

Portland, Ore. (P) — Unbeaten Eddie Machen will gun for his 18th straight victory and a higher heavyweight ranking when he collides with towering Chicago veteran Johnny Holman here tonight.

Machen, 24-year-old Redding, Calif., sharpshooter, continued to reign as a 2-1 favorite in the scheduled 10-round fight, which will be carried on ABC radio and television starting at 6 p. m. (PST) 9 p. m. EST.

Machen's role as favorite is based on his speed, quick punching and record of 13 knockouts in 17 battles. He is rated No. 7 and Holman is No. 8 in the heavyweight ranks.

Holman, 28, a paralyzing left-hooker but a slow, plodding mauler, will have a height and weight advantage. He stands 6-3 and weighed just under 200 pounds today. Machen, who is 3 inches shorter, scaled 193.

Holman has a 30-12-1 record and 18 knockouts.

Notre Dame Picked To Lose Another Saturday to Sooners

By HAROLD CLAASSEN
New York (P) — One can get poor in a hurry picking against Notre Dame's football team but there is every indication that it can be done this time without injury.

The Irish sophomores, who could jell at any moment, now have a record of one triumph in four games. Oklahoma, erstwhile No. 1 in the nation, hasn't been defeated since Notre Dame did it in the 1953 season opener.

Other picks on this week's schedule. Last week's record 38-10 for 792. Season's figures: 172-49-178.

Michigan State over Illinois: A spot for an upset if Michigan State has let down too far after its victory over Notre Dame last Saturday.

Georgia Tech over Tulane: Very quietly, Tulane has built a strong record in the Deep South but this time it collides with Wade Mitchell, Toppo Vann and all those other speedy Engineers.

Tennessee over Maryland: Too many Marylanders on the injured list.

Michigan over Minnesota: Neither team too strong on defense but Michigan has Ron Kramer.

Southern California over Stanford: This is Jon Arnett's farewell as a Trojan—and Stanford will be glad he's among the alumni after this.

Baylor over Texas A&M: The Aggies gave their all last Saturday while Baylor rested. Home field means the difference.

Texas Christian over Miami: Jim Swink can't be held in check on successive Saturdays.

Pittsburgh over Oregon: Oregon has scored only two touchdowns in its last three games.

Skipping over some others: Syracuse over Boston University, Brown over Rhode Island, Army over Columbia, Princeton over Cornell, Dartmouth over Harvard.

REDLEG'S TEBBETTS NAMED NL MANAGER OF THE YEAR

Columbus, Ohio (P) — The Pittsburgh Pirates have signed a working agreement with the Columbus Jets of the International League.

The Jets had been affiliated with Kansas City of the American League but severed that connection at the end of last season.

President John Galbreath of the Pirates said yesterday the Jets will receive 25 players from the parent organization.

"The Pittsburgh club shall always be given first consideration," Galbreath said. "The Columbus people have assured the Pirates that in the event they should need player help from the Jets during the course of the season they can expect it. Of course, at the same time, every possible effort will be made to improve the Jets."

Tobacco also is a flourishing crop on the cold northern shores of Lake Erie, producing a \$74 million dollars annual crop.

ward, Navy over Penn, Florida State over Villanova, West Virginia over Penn State, Yale over Colgate.

Duke over North Carolina State, Mississippi over Arkansas, Ohio State over Wisconsin, Iowa over Purdue, Rice over Texas, Oregon State over UCLA.

New York (P) — George Tebbetts, who almost steered the underdog Cincinnati Redlegs into the World Series, today was named National League Manager of the Year in the Associated Press annual poll.

Tebbetts won easily. He received 160 of the 207 votes cast by members of the Baseball Writers' Association of America.

Fred Haney of Milwaukee was named on 34 ballots. Walt Alston, who guided the Brooklyn Dodgers to the league title, received only six votes. Bobby Bragan of Pittsburgh had five and Fred Hutchinson of St. Louis and Mayo Smith of Philadelphia got one each.

A patient although sometimes fiery manager, Tebbetts molded the Redlegs into a leading pennant contending team that was not eliminated from the race until the next-to-last day of the season and finished in third place, only two games behind Brooklyn and one behind Milwaukee.

Birdie had no 20-game winning pitcher in his third season at the Cincinnati helm. His top victory man was Brooks Lawrence with 19. With help from Hershel Freeman, who had 14 wins in relief.

Tebbetts maneuvered and improvised, getting 91 triumphs from an admittedly weak staff.

It was the first time since 1944 that Cincinnati finished in the first division. In the other seasons under Tebbetts' direction, the Reds wound up in fifth place each time—with a 74-80 record in 1954 and 75-79 in 1955.

Pitt Gains One, Loses One for Oregon Game

Pittsburgh (P) — Coach Johnny Michelosen of the University of Pittsburgh football team says fullback Tom Jenkins will be ready to play against Oregon here Saturday but Ralph Jelic will be given the starting fullback assignment.

Michelosen said Jenkins has recovered from a foot injury but will be held in reserve. Halfback Dick Bowen probably will be sidelined with inflammation of leg veins.

James Bass was recently married to Marie Fish in North Carolina. But, a good fish story was spoiled because neither came from a fishing family. Bass' father was an electrician and Miss Fish's father was a farmer.

Future Looking Brighter For Rambling Wrecks From Georgia

By ED CORRIGAN
The Associated Press

If all goes according to expectations the remainder of the football season, the Rambling Wrecks from Georgia Tech won't turn into a bunch of mental wrecks after all.

The state of Georgia Tech's mental health goes back two years, ever since Mississippi started winning the Southeastern Conference title.

The Engineers thought they were the class of the conference—as they probably were. But in 1954 Ol' Miss won the title and then last year, the Engineers made one slip—they lost by two points to Auburn—and in slipped Mississippi again.

This year, Mississippi has made a slip. Tulane kicked the Rebels last Saturday 10-3, and now the road appears clear for Georgia Tech to go all the way.

Sad to relate, Georgia Tech goes against the very team that did them a favor last week—Tulane. Then they have Duke and Tennessee. After that, the coast is clear. Tennessee is the only problem Ol' Miss has on the remainder of its schedule.

Besides Mississippi, which will try to pull itself together at the expense of Arkansas this Saturday, Ohio State and Texas Christian will be picking up the pieces. Both had been undefeated until they ran into mousetraps in the form, respectively, of Penn State and Texas A & M. Both lost by identical 7-6 scores.

But it didn't hurt the Buckeyes in their quest for the Big Ten title. However, starting with Wisconsin, they face five straight league foes and it goes without saying they'll have to improve their attack.

Despite its defeat, TCU still appears to be the strongest team in the Southwest Conference.

At the top of the heap, Oklahoma goes after its 35th straight victory. The opposition is Notre Dame, which in other years would have the country pulsating. But Irish Coach Terry Brennan is finding out, just as Knute Rockne did in 1928, that you can have good seasons and bad ones.

Notre Dame now has lost three of its four games. Michigan State gave the Irish a clobbering Saturday 47-14.

In the Pacific Coast Conference, only Southern California remains unbeaten, having made Washington a 35-7 victim last week. The Trojans play Stanford Saturday in a game that could go far in deciding the league champion.

Bailey Holds Ball, Now Holds Lineman Of the Week Award

By The Associated Press

A bit of quick thinking earned Ed Bailey, Syracuse guard, the Associated Press lineman of the week award today.

The play came in the final quarter of last Saturday's Syracuse-Army game at Syracuse. The Orange led 7-0 but Army was on the Syracuse two-inch line and 4th down.

Army's Vince Barta bucked into the line and when the officials got the players unscrambled they ruled no TD.

It developed later that while the top portion of Barta's body had gone over the goal line, the ball had not because of Bailey's alert thinking. He got his hands on the ball in Barta's arms and kept the Army player from working the ball into the goal line.

It was a fitting climax to a great day for Bailey. The 206-pound junior played a fine defensive game against the Cadets.

Pitt's Joe Walton, an end, was one of the other nominated in the voting by sportswriters and broadcasters. He scored two of the

Panthers' touchdowns, one on a 59-yard pass, as Pitt topped Duke 27-14.

Steelers Coach Calls Play in Sunday Game Vs. Giants 'Disgraceful'

Pittsburgh (AP) — Coach Walt Kiesling, disgusted with his Pittsburgh Steelers' showing in the National Football League, has put into effect longer practice sessions.

Kiesling bawled out the squad yesterday and told them there were very few "pros" on the team. He said the Steelers play in their 38-10 loss to the New York Giants Sunday was "disgraceful."

"We have been treating you fellows too nice," Kiesling said. "That all over now."

The Steelers used to report for practice each morning, review scouting reports then scrimmage until 1 p. m. Under the new schedule, they will workout every morning, eat lunch then return for a several hour "skull" session.

The Steelers meet the Cleveland Browns at Cleveland Sunday. Each team has a 1-3 record with Cleveland's only victory a 14-10 squeaker over the Steelers.

GRAYSON'S SCOREBOARD

Yale Can't Show True Power Against Weak Ivy Schedule

BY HARRY GRAYSON
NEA Sports Editor

NEW HAVEN, Conn. (NEA)—It is a trifle shocking to see this season's Yale football squad walk out of the dressing room. The setting is usually typical Ivy League. Well-dressed people walk toward their seats wearing buttons saying they root for one of the old and academically austere institutions.

But when a student manager flings open the dressing-room door and the Bulldogs emerge, you have to wonder if it wouldn't seem more appropriate for them to be in the Los Angeles Coliseum, Ohio Stadium or any place else where blast-furnace football is played.

THIS YALE SQUAD is about as untypical an Ivy team as can be imagined.

Capt. John Owselchik leads the Elis and he has the build to go along with a name that seems made for football. He is 6-3, weighs a solid 205.

There are backs like Dennis McGill, a tough-faced 180-pounder, who has the strong, well-shaped legs that are the hallmark of a top halfback.

YALE ISN'T an optical illusion. This squad has a case history of being good from the start. Notre Dame sought McGill when he was a senior at St. Michael's High School, North Bergen, N.J. Army procurers got McGill on the United States Military Academy grounds.

Dean Loucks, the 6-1, 190-pound senior quarterback, came out of White Plains, N.Y. High, a strong schoolboy base coached by his father. Since early teen-age days Loucks has been drilled in the position and he plays it almost automatically.

It is the same right down the line. Yale is the kind of a team you find any place in the country where strong football is played. Playing in the Ivy League, it seems to have too much, on paper, for anybody.

YET SO FAR this season Yale has been struggling.

"We seem to struggle all the way," says Coach Jordan Oliver. "Then I look at the movies Sunday and find we blocked and tackled well and rolled up tremendous yardage. That extra something—the thing that makes a great team—isn't there. But the basics are, and I find it hard to complain."

"Maybe," Oliver nodded in agreement to a reporter, "we could use a little tougher meat. It is hard to convince your kids that 'Columbia will be tough.'"

LAST SEASON, the Eli material showed its true worth against Army. The Bulldogs took everything the Cadets had and stormed back to hand out a wicked physical battering and win.

Oliver feels that the team is even better than last season. But that extra something isn't there. Loucks, for example, threw to the flat against Columbia. A Lion barely missed intercepting—with a clear field ahead of him. Some Eli forgot to cover the flat in case of an interception.

McGill danced over and, standing up stick-straight, tried to prevent a Columbia back from entering the end zone. The back merely hunched lower than McGill and rocketed through him.

These are the marks of a club that, perhaps, becomes a bit disinterested at times. It is a team that can play any place—but the schedule doesn't call for it. So, while eastern football gets rapped, a Yale squad that could refute it remains mute.

LANDER

Lander—The local WSCS will conduct a Week of Prayer and Self-Denial Service in the church Friday, when Mrs. O. R. Swanson, Sugar Grove, will be guest speaker.

Girl Scout Troop 270 held its first meeting of the season at the fire hall, with Mrs. Lloyd Ferry as leader. Elected as officers were the following: President, Karen Knapp; vice president, Rowena Yesky; secretary-treasurer, Cora Van Ord; scribe, Lois Williams. Plans were made for a bake sale and Halloween party, also for the next meeting October 25.

Mr. and Mrs. Arthur Mahan and Harry Mahan have left to spend the winter in Florida.

Mr. and Mrs. Murray Peterson and children, of Russell, were Sunday guests of Mr. and Mrs. Ira Stufflebeam. In the evening, both couples, with Mr. and Mrs. Warren Wilcox of Lander, Mr. and Mrs. Bert Hotelling of Russell, enjoyed

a wiener roast at the Otis White home in Busti.

Mr. and Mrs. Nels Kjellin, Warren, visited Mr. and Mrs. Elmer C. Swanson Sunday evening. Their sons, Chucky and Jimmy accompanied them home after a week's visit with the Swansons.

Renee Darcy, daughter of Mr. and Mrs. Robert Carlson of Warren RD 1, was baptized October 19 at the Methodist parsonage by Rev. Gustav Erickson, with Mrs. Fred Yesky and Rowena Yesky as witnesses.

Mr. and Mrs. Paul Stanton and daughter, Beverly, attended Homecoming at Edinboro State Teachers College Saturday.

MYF members elected the following officers at their regular meeting: President, Virginia Van Ord; vice president, Barbara Lank; secretary, Mary Ann Gebhart; treasurer, Larry Ludwig.

ELVIS SINGS FOR POLICE—Elvis Presley, right center, tells his story of a service station brawl in police court in Memphis, Tenn. Elvis demonstrated that he can throw his fists just about as well as rock-'n-roll notes, when he blacked the eye of Edd Hopper, 43, left with arms folded. Aubrey Brown, 21, at Hopper's left, also was in the fray, but managed to sidestep "punching" Presley. The judge let Elvis off with a lecture and fined his opponents a total of \$40.

CRASH NEAR DUNKIRK
A 33-year-old Dunkirk woman and her seven-year-old daughter were critically injured in a collision involving two passenger cars and a semi-truck four miles west of Dunkirk on Route 5 about 4 15 p. m. Tuesday. Three others were less seriously injured in the smashup. Reported in "extremely critical" condition at Brooks Memorial Hospital in Dunkirk was Mrs. Faye Fisher, 33, of Route 2, West Lake Road, Dunkirk, driver

of one of the two autos involved. She suffered a fractured skull, brain injury, multiple compound fractures of both knees, multiple fractures of the right arm and multiple facial lacerations. Her daughter, Theresa, was reported to have suffered multiple compound jaw fractures, head injuries and lacerations of the left leg and face. She was reported in "critical" condition. Police said heavy fog may have contributed to the crash, which occurred on a curve. It was understood one of the passenger cars was passing the other when it struck the truck head on. The truck was headed west, the cars east. The truck, loaded with sheetrock, ended up on the south shoulder of the road, its cab demolished. Both autos were destroyed.

MORE PARKING

Blacktopping of YMCA tennis courts will be completed within a month to provide 32 additional off-street parking spaces, according to an announcement this morn-

ing by George Geracimos, borough manager. Sixteen dual-head meters have already been ordered, with time rates a nickel for 60 minutes, a quarter for five hours. All night parking will be allowed starting at 9 p. m. Mayer Brothers Construction Company of Erie will apply the blacktop to the 1,075 square yard surface for \$1.45 a yard.

Warren Mortician President of Nat'l Funeral Directors

W. E. LUTZ
The National Funeral Directors Association with over 16,000 members in the United States and Possessions is meeting in Milwaukee, Wis., Oct. 21st to 25th. This is the 75th anniversary of the organization and it is of special interest to the people of Warren because William E. Lutz of the Lutz-VelMilyea Funeral Home was elected president.
Mr. Lutz has been engaged in the Funeral Profession since 1915 and has resided in Warren since 1923. For three years he served as Governor of District One of the State of Pennsylvania and one year as President of the Pennsylvania Association. Two years as a member of the State Board of Pennsylvania. In 1955 he was appointed Chairman of the Building Committee which provided the Pennsylvania Association with its own building in Harrisburg—the first Funeral Directors Association in the United States to own its office building. In 1954 Mr. Lutz was elected 2nd vice president of the National Funeral Directors Association and now becomes President for the Diamond Jubilee year of that organization.

Youngsville Kiwanians Hear Talk on Assessment

Henry Fuelhart, guest speaker at the Tuesday evening dinner-meeting of Youngsville Kiwanis Club, gave an informative summary of the mapping and assessment program in Warren county and conducted a helpful question and answer period.
In addition to 33 members attending, other guests were L. L. Johnson, county commissioner, Larry Rodgers and Jim Zeeder, members of the Kiwanis-sponsored High School Key Club; Assemblyman Allen M. Gibson, and Henry Kurtz.
The Rev. C. J. Flanzen, Saron Lutheran minister, gave the invocation.

ON A WING, AND A PRAYER—Survivors of the ditched Pan American Stratocruiser stand on wing of the sinking plane as they prepare to enter a rubber life raft. Balance of the 31 passengers and crewmembers who were aboard the ill-fated craft are in second raft. Mrs. Jane Gordon, of Silver Spring, Md., who was aboard the plane with her husband and twin daughters, summed up the feelings of the survivors saying, "I just said a little prayer," when the plane started to ditch. All 31 were rescued by the Coast Guard cutter Ponchartrain, which was on weather duty.

cation and Jesse Lyon led group singing.
Vern Hull listed 11 members with perfect attendance records; the committee reported all in Readiness for the Charter Night festivities on November 13, Ed Turchan reported a Key Club volunteer committee has been organized to assist with the December 18 Christmas party, and Deac Lay, reporting for the underprivileged children's committee, offered information on clothing, etc., available for distribution.

HIGH SCHOOL NEWS

The second-year German class was host to first-year students at a fifteen dinner Tuesday evening in the cafeteria. Following dinner, members enjoyed a German song-fest in the big study hall. In addition to this, Edward Zulak, one of the German teachers, showed movies of his trip through Germany and Switzerland as an exchange teacher. Before showing the movies, he gave a short account of each country.

The dinner is an annual affair for students of the German Club. The second-year class helps the first-year group in becoming familiar with the German language, customs, songs, and German "itself. Faculty advisors are Richard Kaufman and Mr. Zulak.

Members of FBIA in Warren High have planned a trip by bus to Grove City November 3rd, for any member wishing to go. This trip will enable one to learn what it is like to go to a business school. The cost of the trip will be \$2.50 for the bus and money will be needed for meals. Students will tour Grove City and inquire about anything concerning colleges or business schools. This trip also includes a football game, free of charge to FBIA members.
At a meeting of Rifle Club, Monday after school, election of

officers was held. Those chosen were Paul Mahaffy, president, James Bonell, vice president; Sandra L. Johnson, secretary; Gloria Shaffer, treasurer.

At the organization meeting of Letterman's Association Monday evening, officers were elected. The 1956 - 57 slate is president, James Griffin; vice president, John Suppa; secretary, James Tmelle; treasurer, Kenneth Hoffman.

On November 1st, a representative from the American University in Washington, D. C., will be at Warren High School. Any senior student who is interested in the school can register in the Guidance Office.

National Merit Scholarship Tests were given throughout the morning at Warren High. Twenty-three seniors engaged in the test, which took about two and a half hours.

Dragon board of editors appeared on yesterday afternoon's broadcast, "Warren Schools Are on the Air." Rita Musante, editor, and her staff explained the importance of a yearbook and their jobs. They also told of the months of organization which go into the make-up of the "Dragon".

Yesterday morning, banking for FBIA members took place from 8:00 to 8:25. The banking was very successful and will be every Tuesday.

day from now on. The purpose of this is to get the students interested in saving for the future while they are still young.

SUGAR GROVE

The Womens Missionary Society of the Presbyterian Church, was entertained at the manse, Thursday, by Miss Dorothy Fisher. Mrs. Paul Cariberg, vice-president, presided in the absence of the president Mrs. Fisher, who is out of town, and Mrs. William Younie, conducted the devotions. Plans were made for sending used clothing to Guanado Mission, and any one having clothing is requested to bring it to the church before October 30th, after which a work meeting will be announced to get it ready for shipment. A special offering will be taken at the November meeting to be sent Haines House, in Alaska, to be used for medical supplies as a Christmas gift. Mrs. J. A. McIntosh was program leader, and Miss Fisher was pianist for group singing. Mrs. Cariberg, Mrs. Guy Summerson, Mrs. Gerald Younie, and Mrs. Hugh Sherrard, took part in the study Mrs. Scott Stuart Sr. read a poem "Autumn." Miss Fisher was assisted in serving refreshments by Mrs. Ray Gruber and Mrs. Scott Stuart, Jr.

Conflicting Views Expressed About Congressional Contests

By JOHN KOENIG, JR.

AP Special Washington Service Washington (AP)—Rep. Simpson (R-Pa.), chairman of the Republican Congressional Committee, predicts that the Pennsylvania GOP will retain its 16 house seats and will pick up "at least three more" from Democrats.

"We're on the ascendancy," said Simpson in an interview. "Given a break in Philadelphia, where we're making particular efforts, we'll take another one or two seats from the Democrats."

Simpson's prediction conflicted with the views of state Sen. Joseph M. Barr, Democratic state chairman, who recently said Democrats should capture four congressional seats from the Republicans on Nov. 6.

Republicans now hold a 16-14 edge in the Pennsylvania delegation.

The Democratic total dropped to 13 with the recent death of Rep. Granahan of Philadelphia. His widow, Mrs. Kathryn Granahan, is seeking to hold the 5th District seat for the Democrats.

Simpson said he expects Pennsylvania to stay in the Republican column with President Eisenhower. He added he also looks for a national GOP surge which would put the House and Senate under Republican control.

The congressman said he believed Republicans could run their House membership up to 230—a reversal of the present Democratic lead of 230-202, with three vacancies.
